Thank you so much to @Ken Landau for having me on the "Law You Should Know" radio show! In our discussion, we advised employees who have been fired, laid off, don't want to return to the office, or have been harassed and discriminated against. We also talked about my new book, "FIRED! Protect Your Rights & FIGHT BACK If You're Terminated, Laid Off, Downsized, Restructured, Forced to Resign or Quit."
