*Owner and Operator*

Lace Curtain Med Spa was established in Elmhurst, Illinois, by Noreen Reaney, a nurse for almost three decades and a nurse practitioner with over eight years of experience in the healthcare industry.

Noreen's passion for helping people improve their confidence through aesthetic FDA-approved procedures led her to establish Lace Curtain Med Spa. Noreen provides thorough evaluations and physical exams for all patients prior to any procedures, ensuring that each individual is a viable candidate for the treatment they are pursuing.

Since its inception, Lace Curtain Med Spa has built a reputation for providing affordable, high-quality aesthetic treatments. We pride ourselves on our ability to listen to our patient's needs and customize each treatment plan accordingly. Our skilled professionals are dedicated to providing exceptional service and delivering noticeable results.

If you are looking for a med spa in Elmhurst or the surrounding Chicago area, we invite you to experience the Lace Curtain difference!

### Botox

Transform your look with Botox and Dysport injections. Our experienced nurse injector can help you achieve a younger, more refreshed appearance without surgery or downtime. Botox and Dysport are FDA-approved wrinkle treatments that relax facial muscles and smooth out wrinkles, giving you a smoother complexion and softer facial features. With our expert injection techniques, you can expect natural-looking results that last for months.

### Lip Injections

Lip Injections are the perfect solution for those looking to add volume to their lips. Our hyaluronic acid fillers are the most common and safest way to achieve a naturally fuller look. Our lip injections are designed to provide long-lasting results and can be tailored to your individual needs. Our experienced technicians will work with you to create a look that is both youthful and subtle.

### Dermal Fillers

Dermal Fillers are a simple and effective treatment to restore volume and smoothness to the face. Our fillers are hyaluronic acid-based and highly effective at filling volume in naturally depleted areas. This helps to reduce the appearance of wrinkles and restore a youthful and vibrant look to the face. Dermal Fillers are a safe and effective way to restore your youthful appearance.
